EDITORIAL

This issue was largely put together by the erstwhile designer, JJ, while the Editor was making himself sick on Florida theme park rides and nerding around at Star Wars Celebration V (of which more next month). Which reminds me, I really must get that Princess Leia shoot sorted out for Sasha. Only, we need a volunteer to play Jabba the Hutt and someone to be Salacious Crumb. JJ has volunteered to be Jar Jar Binks, but we said no thanks... ♣

Dear Club

Since becoming hooked on the arousing readers' letters in *Club* – especially the really naughty ones in *Peaches*, my sexual inhibitions have completely disappeared. I'm hornier now than I've ever been before and am on the prowl for cock or pussy nightly. Last Thursday, at a Mexican restaurant in the West End, I picked up a man at happy hour over a tequila or two. He was the tall, dark and handsome type, and came on strong with every cheesy pick-up line imaginable.

Under normal circumstances I would have completely disregarded such an idiot, except for the fact that he had a humongous cock practically tearing a hole through his jeans! I instantly thought that the faster I could stuff his mouth with my bouncy tits to shut him up, the sooner I could get an up close and personal look at his package.

As I left the restaurant I gave him my address and told him to show up in two hours. Sure enough, he arrived right on time. When he and his cloud of cologne walked in, he immediately gasped, "What the fuck? Are you some kind of sex fiend?"

I giggled and went straight for his cock, pretending not to notice the video camera set up in the living room or the stash of dildos lining the carpet. Once his cock was out and growing nicely in my hand, I knew the kinky sight was a complete turn-on for him. Immediately I began to lick up and down the sides of his shaft to moisten his meat before sliding it down my throat. After several failed attempts to deepthroat him, all the way down to his groin grass, I actually managed to stuff him inside my mouth until my nose met up with his stomach.

"No one's ever managed that before," he complimented me, urging me to take him down again and again. After his cock was completely drenched with strands of sticky saliva I pushed him down on the floor and made him crawl to me on his hands and knees while I turned the video camera on. Then I stood in front of his face, raising my skirt to give him a look at my silky blonde muff.

"It's beautiful," he whispered, sticking his tongue out to get a lick. I pushed him back with the toe of my black leather boot and told him to wait. With one hand I pulled my cunt lips open to show him the glistening gloss that had been collecting inside. Finally, after coating his lips and tongue with my juice-soaked fingers, I allowed him to sample my pussy. He ate me out like a fucking champ and had me cumming hard in record time.

After my orgasm, I threw him down on the sofa and mounted him cowgirl style. He grabbed the base of his cock and tried to shove it up my pussy. "No, no, no!" I reprimanded him, redirecting his bone to my arsehole. Slowly he

CBOOBIES

Dear Club

I don't hoard magazines any more like I used to, but it's going to be tricky with Sasha in different outfits every month [*Club* 39/9]. Lucille also looks amazingly sexy with the long blonde hair, stockings and heels. It's also good to see those shots Priya Rai. It won't do *Club* any harm to get an Indian girl in the magazine every month.

Simone is certainly an interesting Reader's Girlfriend and I don't know whether I've watched too many news programmes but I'm sure in the right light a certain BBC newsreader's face springs to mind. Even more interesting!

Anyway, cheers for now.

J, Notts

We hope the newsreader in question isn't George Alagiah or Huw Edwards. If it is, we're doing something wrong.

ALL ABOUT EVE

Dear Club
Hi. After reading issue 39/7 my cock was hard after seeing Evelyn's pussy. I look forward to seeing her again in the future of *Club*.
Craig, Rotherham

Bloody hell, Craig, keep it short and sweet. Ink shortage where you live, mate? Still, we get your point, and we're on the hunt for more shots of Evelyn as we speak.

inched his way inside until his cock disappeared up my anus.

I reached my hands around, spreading my bum cheeks wide open for the camera, and later reaching out slightly further to pick up the biggest black dildo in my collection. While he continued to hammer my arse and nibble around my nipples, I glided the dildo inside my pussy and turned it up to turbo speed. I was double-stuffed and loving every minute of it.

"Turn it up higher!" he urged, feeling the intoxicating thrill of the strong vibrations and getting off on it. Still connected to his cock, I spun around to give him a solid view of the bum he was banging and also to play up to the camera.

After several more minutes of deep pounding reverse cowgirl anal, he buckled me over and continued the arse ramming in doggie. The feel of his balls smacking against my pussy had me cumming once again. At this instant I felt his balls tighten and his cock swell even thicker. I knew he was about to explode his load. A few more thrusts, and he pulled out and painted my arse cheeks white with streams of his warm seed. I told him I got my inspiration from *Club*, so I hope he's become another convert.

BIG CHEESE!

Bree wants you to camembert all over her...

Bree is a strange name. Over here in Blighty, we use the name for a French cheese (albeit spelled differently) and a Middle Earth town where the Prancing Pony Inn is located. But in the States, it's all the rage to have it as a porn name, what with Bree Olson, Bree Barrett, Bree Brooks and now this Bree. What gives? Are they all cheese fanatics or Lord of the Rings nerds?

"I'm neither," Bree tells us down the phone from New York. "It's just a porn name that I plucked out of the air. I mean, we don't really need another Jenna Something, do we? To be frank, I don't give a fuck what I'm called in porn films. It's all about getting as much cock into me as possible. Is that such a terrible thing?"

No it isn't, Bree. And even though she's not a cheese fanatic, we're sure you'll agree that Bree came out of the cracker barrel. ♣

Bree is enjoying some finger fun at...

TINA WOLF!♣

She's champing at the clit...

Latina lovely Tina is exceedingly chuffed to make her *Club* debut. Is it because of our proud history of only featuring the world's hottest ladies? Is it down to all the top models and future starlets we've unearthed over the years? No, it turns out it's neither of those...

"It's because I've wanked myself silly over *Club* for years," she confesses saucily. "I used to have to buy two copies of certain issues because I juiced over them so much when I came."

So, what are your favourite bits apart from the witty headlines and erudite prose style?

"I love the reader's girls bit, I really do. I like the idea that there are other readers out there desperate to strip off for their favourite magazine. It just shows what a horny world we live in and how many fit girls want to share their pussy."

And now you're sharing yours.

"Yes, but I want to share mine with some other *Club* girls. Can you fix me up a shoot with another girl?"

Yes, but we have certain very sexy stipulations, Tina... ♣

CLUB'S ROUGH GUIDE TO...

THE COMMONWEALTH GAMES

THEY'VE BEEN DOGGED BY SECURITY FEARS AND RUMOURS OF BACKHANDERS AND CORRUPTION, BUT ON THE SPORTING FRONT THE DELHI 2010 COMMONWEALTH GAMES STILL PROMISE TO BE A THRILLING SPECTACLE. WELL, THAT'S WHAT MATT LOXHAM THINKS, ANYWAY...

HISTORY

The first ever Commonwealth Games – called the British Empire Games back then – were held in Hamilton, Canada in 1930, with eleven nations taking part across six fairly diverse disciplines including wrestling, rowing and lawn bowls.

The event was devised as a means of increasing goodwill and understanding between the members of the British Empire, and the idea was that the games should have a core of events based around sports played mainly in Commonwealth nations – thus explaining the inclusion of lawn bowls.

Indeed, if organisers so desire then they can still take up the option of including officially recognised and naturally very British events such as Billiards and golf, although neither of these have actually ever made it into the games proper to date. Perhaps surprisingly, cricket has featured only once, in 1998.

Except in 1942 and 1946, when they were abandoned because of World War II, the Commonwealth Games have taken place every four years since that inaugural outing in 1930. From relatively humble beginnings they gradually grew, and by the time Vancouver 1954 came around, the number of participating nations had more than doubled, and the number of events increased from 59 to 91.

Different names for the games have come and gone. They've been called The British Empire and Commonwealth Games and The British Commonwealth Games, before organisers finally settled on the current title in 1978.

The participating countries have also varied over the years. Kiribati, Lesotho, Niue, Tuvalu, Vanuatu... Places you may not be so familiar with, but they're all part of the Commonwealth and at some point have sent athletes to the games. Tokelau, a territory of New Zealand, will be represented for the first time at Delhi 2010. Indeed, to reflect the transient nature of participation, only six nations have attended every Commonwealth Games – Australia, Canada, England, New Zealand, Scotland and Wales.

Delhi 2010 is all set to be the biggest games to date, with 73 nations competing over 17 disciplines and 285 events. Kabaddi, an ancient Indian sport that you might remember being shown on Channel 4 in the 80s, will feature as a demonstration event.

So grab a beer and an atlas and settle in for what promises to be yet another fascinating chapter in the history of the Commonwealth Games. Kabaddi, Kabaddi!

LEGENDS

ROGER BANNISTER & JOHN LANDY

When the only two athletes ever to run a mile in under four minutes were pitted against each other over that distance at the 1954 Commonwealth Games expectation was high, and what ensued is still referred to as the 'Miracle Mile'.

With Landy several yards clear going into the home straight, Bannister made his move, but the roar of the crowd meant that Landy couldn't hear the rapidly approaching footfalls of his rival. The decisive, and indeed iconic, moment came when Landy glanced over his left shoulder and Bannister swept past on the right to take the gold medal.

Both runners broke the four minute barrier – the first time it had ever happened in the same race – and the showdown is still recognised as one of the greatest track showdowns of all time.

WILLIE WOOD

Delhi will mark a record-breaking eighth Commonwealth games – his first was way back in 1974 – for veteran Scottish bowler Willie Wood MBE, but at the ripe old age of 72 he's apparently raring to go and "feeling 30 years younger".

Although lawn bowls might not seem like the most dynamic of pastimes, the event is increasingly becoming a young man's game, which makes it all the more remarkable that Willie has managed to once again qualify for the Scottish team this year. For his eight appearances Willie boasts two gold medals, a silver and a bronze, and it wouldn't be a surprise to see him roll back the years and add to that tally in India.

PRECIOUS MCKENZIE

After quitting his native South Africa for England in 1964 because of his hatred of the Apartheid system – he wasn't allowed to represent South Africa because of his 'colour' – diminutive weightlifting legend Precious 'Pocket Rocket' Mckenzie went on to win three consecutive gold medals at the Commonwealth Games between 1966 and 1974, not to mention another one for New Zealand, for whom he competed in 1978.

Rumour has it that the Queen was late for an official engagement because she was so keen to watch this miniature 4' 9" Hercules lift his way to a third Commonwealth gold, and he was subsequently rewarded by his most regal supporter with an MBE. A movie documenting Precious's inspirational story is set to be released in 2011.

KEY EVENTS

RUGBY SEVENS

After winning the silver medal at the 2006 Commonwealth Games, much is expected from the English sevens side in Delhi. Victory over New Zealand last year in the Wellington and London tournament has only served to increase hopes of the team going one better at the 2010 games, particularly as the travelling squad features many of the players who starred in that celebrated win over one of the big guns of the game.

A recent humbling by Commonwealth group opponents Australia in the Sevens World Series has served to keep feet on the ground, but with England Head Coach Ben Ryan talking in very positive terms about his team's fitness and preparation, expect a big push for a medal in this fast, furious and hugely entertaining 'abridged' variant of Rugby Union.

SWIMMING

While some athletes and sports persons don't appear to see competing in the Commonwealth Games as a priority, the English swimming team are using it as a crucial preparation event in the build-up to London 2012. As a result, the group travelling to Delhi is an incredibly strong one, featuring as it does the likes of Rebecca Adlington, who won two gold medals at the Beijing Olympics, Joanne Jackson, who bagged a bronze, and Liam Tancock, who is the current World Record holder for the 50 metre backstroke.

For Scotland, freestyler Caitlin McClatchey will be chasing medals across several events, and Jemma Lowe carries Welsh hopes in the butterfly.

But this won't be a cakewalk for any of the British swimmers by any means, as many of the other nations, including big players Australia and Canada, have also expressed their intention to take their strongest teams to Delhi, which should make for guaranteed splashes and fascinating clashes in the pool.

SQUASH

Watching two people whack a ball really hard at a wall might not initially sound like much fun, but give it a chance and you'll see that there's much more to top-level squash than that.

At the Commonwealth Games there'll be plenty of English interest to encourage us – our apologies to Wales, Scotland and Ireland, who most likely won't medal – to tune in and give it a try, with Team England boasting the World Number One in the men's game, Nick Matthew, and the World Number Two in the ladies, Jenny Duncalf. Indeed, we almost have an embarrassment of riches on the squash court, with four of the world's top-ten ranked men and three of the world's top-ten women. There's even talk of a golden clean sweep for the English team across the five events.

ATHLETICS

Although several high-profile track and field stars have ruled themselves out of the Commonwealth Games – including legendary sprinter Usain Bolt and heptathlete Jessica Ennis – after the recent success at the European Championships in Barcelona there should still be plenty to cheer about for all the home nations on both track and field in Delhi.

In amongst the action will be triple-jumper Philips Idowu, long-distance runner Mo Farah, hurdlers Dai Greene, Perri Shakes-Drayton and Andy Turner, and high-jumper Martyn Bernard, to name but a few.

Although they'll be competing in different coloured shirts – for Wales, England, Scotland and Ireland – the emphasis will be on how all the British athletes are progressing towards London 2012, and a decent medal haul will be expected, if not demanded, by head coach Charles Van Commenee. ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

Wow! I can't believe how many letters I've had in the first couple of months of being *Club*'s regular girl. I've barely had time to wank to them all! Some of you boys have got very dirty minds... and I love it!

Steve from Suffolk is a bit of a car fanatic, and he wants me to wash his motor for him. Sorry, Steve, I hardly ever have chance to clean my own banger. I can't believe the cheeky photographer got me to clean his for him for this shoot. Anyway, check out my top gear and waxed bonnet and promise to polish your gearstick for me boys. See you all next month. I can't wait... ♣

Dear Sasha

I can't believe how good *Club* is at the moment. It's not normally on my list, but with you every month in different outfits, how can it not be? You are unbelievably sexy. My preferences are definitely blonde or sultry darker-skinned girls in a variety of outfits. For some reason I always associated *Club* with bikini shots month after month. I have several strange (?) fetishes involving clothes and uniforms. Indian girls are a great fetish, especially with white stockings. Please keep it up.
Anonymous

I can't believe you've not been buying Club for ever. Everyone knows it's got the hottest girls for all tastes. I'm glad you like Indian girls, I'm half Mauritian, so you could call me an Indian Ocean babe. There's nothing strange about your fetishes – dressing up is one of the most enjoyable bits of sex. As long as you get undressed at some point! Keep watching, I'm sure I'll be dressed up to your tastes soon! X

Dear Sasha

When I heard I was going to see more of you in *Club* I, like many of your fans, was delighted. As was my friend down below! If I had to have a dirty fantasy about you, I would be your boss. You're my secretary, your glasses on, giving your white panties a good rub with your panties as you deep-throated my thick cock. Then I'd penetrate you from behind before exploding my hot sticky cum over your peachy tits. Also, I'd love you to be a nurse for me and ride me while I can't struggle. I will continue to gaze at your tits and beautiful arse in full awe and hope you are playing with your clit. I wish it was my cock.
Simon, East Sussex

Simon, you're a dirty boy, aren't you? You've got lots of filthy ideas I'd love to put into practice – especially that one about taking your cock deep in my throat. That's something I've really been working on, and I reckon I can deep-throat an 8 incher now. Sorry, you've gone and got me all wet again!

LA FEMME!

We've got a crush-chev on Nikita...

Ahh Nikita. Before this particular Nikita entered our lives, we were torn as to which Nikita was our favourite Nikita. Was it former USSR statesman Nikita Khrushchev, or could it be the sexy female assassin who was in them movies?

Well, now that's all by the by, because this is now our favourite Nikita ever, and she's not likely to kill anyone or be a communist in the near future either.

"What are you going on about?" the bemused lovely asks us. "Assassins? Communists? I thought we were going to do a lovely little interview all about sex."

Yes, don't worry, we're getting to that.

"Good."

So, Nikita, how about that sex then?

"Well I love it, obviously. What do I like most about sex? The feeling of power over a man's cock. Once it's hard, I can get a guy to do anything for me. And what I really want guys to do is to spurt their jizz all over my natural tits."

Oh, there's that song by Elton John called *Nikita* as well. No, we still prefer you.

"Were you even listening?" ♣

PORN STAR RETIREMENT HOME

Where we look back at the cock-slurpers who hung up their chaps...

No. 1 - SYNDEE STEELE

Texas-born Sydnee Steele, still looking good at 41, got into adult films after getting into the swinging scene with her husband, Michael Raven, who wound up directing porn films. Before then, she'd described herself as a shy person, but the swinging and exposure to the world of porn brought her out of her shell. It was at the beginning of the 2000's that she signed to Wicked and started an award-winning career of appearing in plot-driven pornos. Sydnee's performances took her up to the podium at the AVN Awards many times and it's easy to see why – she worked cock with relish, her big mouth able to make the biggest stud disappear into her chops. Her two-handed wanking technique made her look like a pro, and every dick she worked was stiff as hell (seriously, go back and watch her in flicks like *Euphoria* and you'll wonder how the guys she's working didn't pop their load in seconds – I know I would have). But Steele wasn't just a great fuck – she's a brainiac too, and throughout the previous decade she wrote for *AVN* and our US sister publication, and has co-written books on sexual techniques and couples therapy. Sex is her chosen subject and she knows it pretty damn well. Whatever you're up to right now, Sydnee, we hope you're still giving those double-wristed handjobs...

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: DAVINA McCall

Okay, she's really, really noisy, she's constantly pregnant (it would seem) and she's never off our televisions (although now *Big Brother*'s wrapped up we might be in for a little respite). Her features are angular, she has a kinda witchy nose, and she's been nobbed by Eric Clapton. Hmmm. Not exactly A1 material, but yet... there's something about this excitable lady that makes one wonder just what a night in the sack with her would entail. I'm betting it'd be dirty than a tramp's asshole and a lot more fun. And let's face it, when she shuts up she's actually still quite pretty. So yes, even though there are a number of cons, I'd like to make the statement right now that Davina McCall is PROBABLY a great bonk and still looks pretty hot. There, I've said it. Now, if any of you lot know her, would you mind dropping her a line and letting her know I'm up for it. I tried to on Twitter and she blocked me. Silly moo.

Come and follow me on Twitter: @popshotculture I want to share my nasty little world with you...

Look at the Big Brothers on that.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Stormy Daniels Quits Running For Senate

Stormy Daniels is a blonde lady with big fake tits that I and a number of other men have masturbated our penises to over the years. So it was with some surprise that I learnt she was running for Senate last year as a Republican, comparing herself to Sarah Palin along the way. This would have been amazing. In May of this year she decided to step down, unable to pay for the remainder of her campaign, saying, "Because I did not fit in their mold of what an independent working woman should be, the media and political elite have sought to relegate my sense of civic responsibility to mere sideshow antics." In layman's terms, this means that the Republicans didn't want someone who spent a large part of career gurgling jism representing them. Shame.

Fishburne Jr Gets Her Neos Out

Maybe daddy wasn't helping out with the bills in spite of the wealth he accrued from the *Matrix* movies, but Montana Fishburne (under the name Chippy D), daughter of actor Laurence, has indeed filmed some hardcore porn for the likes of Vivid Pictures. By the time you read this, the footage will be out there, and we can all judge whether her boy/girl scene in *Phatty's Rhymes & Dimes 12* is a winner.

Jenna Jameson's Shitty Year

Poor Jenna. We're sad to report that the legend earlier this year had three ectopic pregnancies removed from her uterus AND allegedly got thumped by her martial artists boyf Tito Ortiz. He claims he didn't hit her and that Jenna is addicted to painkillers. This all happened around the time she talked about quitting Twitter, but luckily she's stuck it out and still chats on there. We're sending her our thoughts (and having a few nostalgic wanks over her) in the meantime.

jizz on my twits

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Okay, stop whatever it is you're doing, sign in to your Twitter account (or create one if you're too silly to have done that yet), and start following titted Norwegian goddess Vicky Vette right now. Believe me, this is good advice. As well as being a chatty, fun and engaging tweeter, she has no qualms whatsoever about posting filthy hardcore pictures of herself at any given moment – chugging cock, getting spunked on, you name it. She's found a cool picture hosting site that doesn't censor pics, so it's as rude as she wants it to be, and this blonde strumpet wants it VERY rude. She encourages all her followers to wank over her porn and report back the fun they had doing so – there's nothing shy about Vicky. Here are some choice tweets from her feed:

"Goooooooood mornin' people..... Masturbation Monday is here"

"Alright everyone... kick ass on Monday. No excuses. Watch lots of my porn and report back your field results. Nighty Nighty."

"I am playing hard to get... can I get a steak dinner out of being f'ed with a strap on?"

"actually, I tweet, fuck AND watch star trek all at the same time"

"I taught lessons in tittyfucking... a great day."

"Just another awesome Sunday.. I got covered in boy batter"

"All I can say is.. to quote David Coverdale's hair in Whitesnake... 'Here I go again...'"

"I like balls. I even like oblong balls.... as long as they are hard and blown up"

Follow her right now at *www.twitter.com/vickyvette* and tell her how she makes you wanna wank. She'll love you for it!

We'd show this Vette our Nutkins.

Top Five...

Hollywood Strippers

Which mainstream starlets work the pole the best?

5: Demi Moore – Striptease
Demi had her funbags enhanced before playing the role of a pole-dancing mum in this laughably bad piece of 90s Hollywood trash. However, audiences still made their way to cinemas to check out Mrs Kutcher's enhanced hooters, although the muscular, mannish frame they rested on wasn't to everyone's taste.

4: Natalie Portman – Closer
Decked out in a pink wig, cutie-pie Portman did a little saucy dance for Clive Owen in the pretentious drama *Closer*, waggling her tight little bum in his face and giving us all a nice glimpse of her lithe figure. Shame the film was so gay.

3: Elizabeth Berkeley – Showgirls
Yes, yes, yes, the film's "so bad it's good" and all that. Whatever. The most important thing is the very hot Ms Berkeley gets her front-fanny out in it and gyrates regularly up against a pole. It's what eyes were made for.

2: Erika Eleniak – Under Siege
A blast from the past here – when *Baywatch* babe Eleniak finally got her top-cunts out in this Steven Seagal actioner, the world finally got to see what she'd had stuffed down the front of that red swimsuit all that time. And boy were they bazongas.

1: Marisa Tomei – The Wrestler
When an Oscar-winning actress in her mid-40s says she's gonna play a stripper, you'd think it'd be wise to look away. How wrong you'd be – Marisa's never looked better, her performance is brilliant, and her table-dancing is as authentic as hell. In that you'd pay good money to watch her do that all night.

PRICKIPEDIA

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

Jenna Jameson and Tera Patrick both make a reported $30m a year from their porn empires (which isn't too shabby seeing as they hardly ever fuck on film any more)

20% of men admit to looking at porn sites whilst at work (what's the betting YOU are part of that 20%, yeah?)

Every 30 minutes, a new porno is produced in the United States (and it's getting pretty damn tricky watching them all)

12% of the world's websites are pornographic (and I'm guessing the rest is just videos of cats falling off things)

The i what now?

HTC HD Mini

From £Free

www.htc.com

The tech correspondent of this magazine clunks around with an HTC HD2 in his pocket. Why? Its massive responsive touch screen. The fact that it's actually a half-decent phone, unlike anything beginning with 'i'. On the downside, it's running Windows Mobile, which is bloody awful at times. The HD Mini scrunches things down, which is a bit of a pisser if you love huge screens, but ace if you actually want to be able to fit it in your pocket without ripping all the seams on your jeans. It keeps the 5 mega-pixel camera though, which also kicks the iPhone's arse.

Pros: The screen is still lovely, the phone is nice, the camera is excellent.

Cons: Windows Mobile is unresponsive and clunky at times, with message deleting a real chore.

Lacie Sound 2

£75

www.lacie.com

Lacie hard drives might not be the cheapest storage in the world – actually, some

of their units are pretty extortionate by modern pricing standards – but boy, do they look good. Especially that sleek, svelte, monolithic Porsche one. A move into speakers seems like a real tangent for them, but these Neil Poulton-designed USB speakers are actually pretty sweet. They draw power through the USB, deliver 30W of output and are plug & play, so you don't have to faff about installing drivers and whatnot. They collaborated with Hi-Fi experts Cabasse on these, to ensure they did the job.

Pros: Look good and deliver way more punch than those tinny efforts you got free with your computer.

Cons: Only sound at their best when drawing mains power, not from USB.

Canon Powershot S90

£315

www.canon.com

Canon's range of Cyber- and Powershots are well established as solid digital camera brands, but they don't always look lovely. The S90 adds some aesthetic pleasure to its undeniable functionality, and stays pocket size. For starters, you can shoot in RAW, handy for pros and designers (better get a big memory card though). And then it ladles on the features you don't associate with a portable digital device. Good zoom, good quality photos, good camera.

Pros: Delivers pro camera features at a mid-level price, and is bijou to boot.

Cons: If you don't know what you're doing with all these features, this is an expensive camera. The small size means that some of the controls are small which can prove tricky for big-thumbed loons.

SHED'S HEAVEN!

Gnome sweet gnome with Vicki...

Last time we hooked up with the impossibly fit Vicki – just 5 months ago, back issue fans – she was dicking around in some rock pools. This time, she invited us round to her house – no, we're not telling you where – to introduce us to her garden gnome. Nice gnome, Vicki.

"Thanks. Every gardener has to have a gnome, it's essential."

So you've got green fingers?

"Right now, no. Right now, I've got sticky fingers because I've just been playing with my pussy."

And we thought it was just men who disappeared off down to the garden shed to wank.

"No, I do that too. I can escape from the world and pleasure my pussy all day long, with no one to trouble me."

Do you let the gnome watch?

"Yes, the gnome gets to watch. The gnome could tell you a lot of stories..." ♣

ALBUM REVIEWS

BEN FOLDS/NICK HORNBY
Lonely Avenue (Nonesuch)
Living on campus and wanting to finger that American bird with the annoying accent? Well, Yanks love Ben Folds and now he's teamed up with *Fever Pitch* author Nick Hornby to produce an album full of piano bashing fun. Fillies from the other side of the Atlantic will be frothing at the gash.

SANTANA
Guitar Heaven: Santana Performs The Greatest Guitar Classics Of All Time (CMC)
Easy money or what? Carlos Santana performs massive hits such as *Riders On The Storm* and *Smoke On The Water* with people such as Joe Cocker, Chris Cornell, and Nas. His manager must be rubbing his hands. Genius.

MARK RONSON & THE BUSINESS INTL'
Record Collection (Columbia)
The man who has made a career out of getting other famous musicians to sing his songs has done it again; this time with Simon Le Bon, Q-Tip, Ghostface Killah, and Boy George. A great line up but is it any good? Nah, fuck it – get the Santana album instead.

TRICKY MICKY LOVES THE CLITTY

CLUB CHATS TO UP AND COMING RAP STAR TRICKY MICKY...

Before all the music started, did you ever shag a bird whilst working?
Yeah, a few times. I was once working for the housing association and I had to go round bleeding all the radiators. I knocked on this door and this girl answered it. She was a right little cutie – she had massive tits and some lovely blonde hair. I got chattin' to her. We ended up going out for a couple of weeks and got plenty of shaggin' done.

Was she a mucky little cow?
Yeah she was, but she didn't like to do it in the mornings because she thought she would smell. I'd wake up with wood and she wasn't up for it, so I had to get rid of her.

Where is the funniest place you've banged a girl?
A couple of weeks ago I stayed in a Travelodge in Croydon. We got this room but it was too hot to do something without needing a glass of water every 2 seconds so after paying out for the room we decided to have sex outside it. I walked her down the hall way and pushed open a fire door and walked up these stairs to the 11th floor. I did her there and then on the fire escape stairs. Her legs were going all funny and I was like, "Yeah, I'm the man!" but she probably had vertigo to be fair.

Have you ever had a squirter?
No, I've had a dripper, where you realise you're kneeling in a puddle, but never a squirter.

Where have you been that you would recommend to our readers?
Thailand – it's incredible. In Bangkok you've got the red light districts and in Pataya you've got ping pong shows and all kinds of things. Aside from all that, there's lots of lovely islands and in Thailand you can get one of my favourite foods – cheesy McDonald's chips! You can't get them over here.

Shaven or bushy?
Shaven, without question. Not even a runway.

Have you ever had any girls where you've asked them to go and sort themselves out?
I was seeing this girl and we went back to my place and she smelt bad. I thought, "I've got to tell her 'cos she might have something wrong with her." I said, "Have you noticed, it sort of smells down there and you should probably get yourself checked out." She literally stormed out and I never saw her again!

Ever been caught having a wank?
'Course. But we all have, haven't we? It is shameful but if you haven't been caught, you're lying.

Have you ever nicked anything?
I tried to nick a kilogram bar of Cadbury's chocolate once. I went into my local newsagent when I was about 10 and stuffed one of them down my trousers. It was all up my chest and I was walking out looking like a cardboard cut out and I got caught red handed big time. I am a useless thief!

Got any memorable holiday stories?
We all went out on the piss in Gran Canaria and I'd had a bit of an argument with my mate. So I decided to go for a bit of a walk which turned into a 2 hour trek. I ended up climbing over a fence thinking that it must be a short cut back to the hotel, but I ended up getting lost on this volcanic mountain for 5 hours. I had to climb through some razor wire down onto the SAS phone by the side of the road and called the highway patrol out at 6 o'clock in the morning. They dropped me back really dehydrated in the town centre because they didn't speak a word of English and I got back to the hotel 8 hours after my '10 minute' walk.

Sounds like a 'mare.
Yeah, but because I was so dehydrated, I opened a car door that I saw at the side of the road with a bottle of liquid in it. I thought it was bound to be water because it was in a builder's car so I had a big swig of it but it was cleaning solution. Not only was I dehydrated but I had the taste of cleaning solution in my mouth for the rest of the night! If that wasn't bad enough, it was my 21st birthday!

Got any kinky fetishes?
Stockings and suspenders – all day long!

Cheers. Good luck and keep on bonin'.

ON THE GAME

F1 2010
(Codemasters)
PC, PS3, Xbox 360
★★★★

For all the high-end racing games out there, the official Formula 1 license is a real gem to have. And Codemasters haven't stinted on delivering the experience here, offering not only the drivers, teams, cars and circuits you'd expect, but also the hoopla that goes with it. So you can use the press to influence the game – and your career – or switch teams. Of course, that's all nonsense filler if the driving basics aren't right, and thankfully they are. It looks great on all formats, with brilliant weather effects – which affect handling and strategy, naturally – and great courses. What it doesn't let you do is move to Switzerland for tax purposes. Allegedly. All in all, they've done the license justice.

R.U.S.E
(Ubisoft)
PC, PS3 , Xbox 360
★★★★

Ah, RTS games. The biggest time-killers outside of the *Total War* series or *Football Manager*. But this is a pretty crowded marketplace, with some real heavyhitters, so you need a good USP to make inroads. Ubisoft have banked on bluffing and perception as the differences here, so it's not just about racing to the top of the technology tree than going all scorched earth on someone's ass. You can mislead the enemy to gain a vital advantage, then rain fire on them, zooming right in to the action? Is it enough. By golly it is, and this is a refreshing RTS experience that's gonna eat more of our time!

HALO: REACH
(Microsoft)
Xbox 360
★★★★

It's not called *Halo 4*, so is *Reach* the sound of Microsoft taking risks with their leading games brand? Not really. It's a first-person shooter, something we're familiar with, and you're fighting the Covenant, something we're familiar with. You play Noble 6, part of the Noble Team, and what you'll be doing, unsurprisingly, is blasting the tits off some aliens. It looks good, it plays good, it sounds good, and the online multiplayer, we assume, will be magic except for twattish Yank teens spoiling it for everyone. Business as usual!

RED OR HEAD!

I'm writing this with the taste of spunk and pussy still on my lips. My sex life with my boyfriend Peter had become a little stale, and so we decided to arrange a threesome to spice things up. And when I asked what kind of woman he'd like, he already had someone in mind – my friend Charlotte. He said he'd never fucked a natural redhead before, and she certainly fits that description. When I set it up with her, I asked her not to shave her pussy so he could see she was the real deal!

Peter and I were watching a porno when Charlotte arrived, and I told her to get busy. I was the one who'd become jaded recently, too tired after work to fuck, or just taking Peter's dick for granted. I thought that seeing some horny girl enjoying his meat would strike a spark, make me appreciate what I had. So we made a deal. He wouldn't touch me until I begged him for a shagging.

They only got as far as heavy petting before I rediscovered my lust for my man. My pussy tingled as he sucked on Charlotte's tits and I was just as horny as he was by the time he licked his way down for an eyeful – and a mouthful – of that cute little red-furred cunt! My fanny was throbbing with every lick and Charlotte was twisting and humping on the bed. Peter kept reaching down to wank his dick, and Charlotte offered to do it for him.

He shuffled forward just out of her reach, his other hand fingering her hole. Then he decided where she was going to cop her first feel of his dick. Slow and smooth, he slid it into her twat, his thumb slipping into the very top of her slit, teasing her little pink button as his fingers ruffled her pubes. Almost instantly, she began cumming around his cock, and I moaned along as my own fingers crept inside of my fanny. But Peter told me to stop – I wasn't allowed to cum until he or Charlotte made me.

He'd never normally act so dominant, but I liked it. I almost came just from watching him fuck my girlfriend, hearing him tell me to look at her taking his cock, see how much she loved it. And Charlotte didn't have to put on a show – you can't fake body spasms and a sex flush even if you want to, and she was cumming hard, thrashing on the end of his dick.

I saw the signs that he was ready to cum too, the way he clamped his arms around her legs, so he could plough in deep. Then he juddered as his jizz spurted into her. It gushed out as he pulled clear, still hard but too tender for me to touch, let alone suck. He spread her lips, rubbing on her clit so I could see her orgasm

again. Then told me to suck her clean. I just dove down, burrowing my face between her thighs. I hadn't eaten pussy since about a year before I'd met Peter, but now I couldn't suck down enough of those sweet juices, creamed and salted with his load.

"Okay, please fuck me now," I asked, and he began to play with my arse crack and slit, spreading them with his hands on the outside edges. He often did this just before sticking his cock inside, but now he made me wait. He didn't want to be told, he wanted me to beg for his dick.

Well, I'm not proud, but when I begged he still teased me, rubbing his moist tip all over my buttocks. It was only when Charlotte told him, "Fuck her, I want to see it," because the suspense was killing her too, that his prick pushed into my cunt at last.

He did me slow, grinding my face into her

"As I'm typing, he's sixty-nining with Charlotte, eating her tight ginger snatch as she tongues his cock"

crotch, and soon both of us were moaning with pleasure. "Cum inside me," I groaned as I came up for air, and he did, before getting me to straddle Charlotte's body and frig off over her.

As he recovered, he had me fetch his laptop so I could write to you guys about what had just happened. As I'm typing out these words he's sixty-nining with Charlotte, eating her tight ginger snatch as she tongues his cock. I don't know how he's planning to fit me into this fun but he wants me there now so I'll sign off and rejoin the action!

SKI BUN-DAY!

Last winter, I took a road trip with five of my University girlfriends to the mountains for a week of snowboarding and skiing. The first few days were absolutely exhilarating, with each of us making great use of the snowy slopes and dangerous high jumps. What happened after that was more than I could have ever expected and is precisely why I'm sharing my horny story with all you *Club* readers.

For the rest our week we were completely snowed in. For a bunch of girls this posed no problems at all. We passed the time dancing, playing drinking games and snuggling up with one another beside the fire. It was when Sarah brought out an empty wine bottle that things got a little out of hand.

"Let's play spin the bottle!" she said, arranging us in a circle on the furry rug. She spun the bottle first, with the mouth pointing at me. I crawled over to her and gave her a sweet little kiss. To my surprise, she grabbed me by the back of the hair and shoved her tongue down my throat. Although I was shocked, I must admit that her bold display and the strawberry taste of her tongue really had me turned on.

Erica grabbed the bottle from me and insisted she go next. Eager to make out with Bella, Erica cheated, making sure the bottle pointed in her direction. To get one-up on Sarah and I, Erica ripped off Bella's T-shirt and began to bite and fondle her thick nipples while sucking on her puffy lips. Now the action was really heating up and every one of us in the room was anxious to be chosen.

Next it was Valentina's turn to spin herself happy. She did and the bottle pointed directly to Adrienne, who clapped with excitement. They continued the game of one-upping us. Valentina rolled Adrienne over into a doggie squat and shoved her face up against her pussy and arsehole to take giant licks of her tight cunt. "Fuck, you taste so sweet and salty," Valentina purred.

Finally the bottle came to me. I gave it a spin and it landed right smack between Bella and Valentina. "Guess I get both of you bitches!" I giggled, arranging my girls on their backs with their legs spread so I could get a mouthful of each pussy. Before I knew it, Sarah was behind me eating my arsehole while Erica ran to the bedroom to grab our box of goodies. She came out wearing a hot pink strap-on cock that she used to vigorously pork Adrienne's arse.

From there, we became a mish-mash of fucking bodies. To my left were Adrienne and Sarah grinding their pussies together like crickets until gobs of girl glue practically cemented them together. Erica stood over the action, dangling her faux cock in and out of Sarah's open mouth. Valentina was on the other side sharing a double-ended dildo with Bella, while I hiked my leg over Bella's face to get my pussy polished by her expert tongue. She was the one I really wanted.

When she finally freed herself from Valentina, I locked legs with Bella and ground on her clit with mine until our groins bubbled over with juicy pop. "More, more, more!" Bella began to scream as her orgasm seemed to intensify with each moment. When she was finished puddling, I moved between her legs to lick up her tangy squirt. She held my head in place and kept me there for several seconds to ensure my face came up soaking wet.

When we were through we both fit strap-on cocks around our waists and went after Sarah. "You're going to get it!" we taunted her, as Bella tackled her to the floor and slipped her cock into Sarah's arse in doggie. I scurried underneath to take control of Sarah's pussy. When Erica caught wind of this she donated her mock cock to the party as well, shoving it down Sarah's throat to make her completely airtight and in strap-on heaven!

Valentina and Adrienne cheered us on for a while before getting cock-tackled themselves once we were through with Sarah. Valentina got it just as good as Sarah did, while Adrienne chose to be the human vacuum in the situation. We stayed indoors fucking for the rest of the week and were saved by the weather once the sun came out. It forced us to untangle from each other and venture back outside for some more fun.

DIRTY THIRTY!

Last Friday night, with four of my closest friends, I celebrated my thirtieth birthday. It was a tremendous evening full of laughs, food and plenty of delicious cocktails. I had my exact wish in mind and couldn't wait until it was time to blow out my candles. Sure enough, when the time came, I decided to throw caution to the wind and go for it. As my friends clapped and cheered, I grabbed Sharon by the cheeks and planted the juiciest French kiss across her lips. Her tongue was cold and tasted sweet like the strawberry margarita she had been sipping on.

To my utter delight, instead of pulling away, Sharon kissed me right back, swirling her tongue around mine and digging her long fingernails into my back. When her husband Don stepped in to try and separate us, I placed my hand over the crotch of his jeans and announced my birthday wish aloud. "I've been a good girl long enough. I want to have an orgy!"

Dumbfounded at first, my friends looked around at each other to see how everyone was reacting to my comment. Just to move the party along in my chosen direction, I squatted down on my knees and pulled Don's cock out to give it a little suck. Sharon had always bragged about the size of Don's dick and now it was my turn to see it for myself. Well, she wasn't bullshitting, his cock was massive! Simply getting the head of his cock inside of my tight little mouth was a challenge in itself, but one I was eager and willing to work at.

"I pulled Melissa underneath me and began to massage her clit with my tongue"

After managing to ingest a few inches, I pulled Sharon down and urged her to suck her husband's cock alongside me. Sharon started in on his balls with her fingers and tongue while I continued to slobber and chew on his shaft. Once Melissa got a look at the action unfolding in front of her, she positioned me in doggie and pulled up my skirt. The next thing I knew, I had Melissa running circles around my bumhole with her tongue, while Sharon and I swapped between sucking on Don's cock and balls.

"Fuck, I want some of this!" Fred announced. He placed Sharon in doggie position right next to me, peeled down her jeans and rammed his cock inside of her hairy pussy. "I'm going to fuck you good!" he shouted, giving her a few playful smacks on her big arse.

Once I had managed to turn Don's dick into a rock solid fuckstick, I turned my bum around and begged him to plug the arse that Melissa had slobbered up so nicely. While Don poked the living daylights out of my bung, I pulled Melissa underneath me and began to massage her clit with my tongue. As I began to shove a few fingers inside her bald fanny, she started to cum… squirt is more like it! Wanting a taste of Melissa's slippery slit, Fred disconnected from Sharon and joined me in feasting on her pie.

"This tastes better than birthday cake!" I announced with a smile. While down sipping on slit, Fred and I got even more turned on not only by the taste of Melissa's tangy pussy, but by our tongues wiggling against each other. It was our turn to try each other out. I started in on his cock first, spiralling my tongue around and licking off Sharon's pussy cream that had collected around it. After a few minutes, Fred spun me head over heels and dipped his dick into my cunt in piledriver.

"Take my fat cock, birthday girl!" Fred shouted as his thrusting got progressively more intense. In the midst of my orgasm, I looked over to see that Don had Sharon and Melissa sprawled out side by side in missionary position. With their legs touching, he took turns fucking one while fingering the other. The sight of my friends in sheer orgasmic delight made my release that much sweeter. After I came, Fred spun me around and tugged off his monster load into my mouth. I gargled his swill around my throat before swallowing it down. It was delicious.

Before the night came to a close, I not only had the opportunity to fuck all of my friends, but had the privilege of knowing that I made all of them cum as well. After another two hours of fucking and partner swapping, we all fell asleep together on my living room rug. It didn't take long for the action to start up all over again. Needless to say, I got my wish!

RATINGS: ★ INFECTED ★★ INFANTILE ★★★ INFERNAL ★★★★ INFALLIBLE ★★★★★ INFERNO

INFERNO
(ARROW VIDEO, £15.99)

We've been having a right Argento-fest this year, what with *Suspiria* dropping on sumptuous Blu-ray, and now *Inferno*, previously unavailable since the video era over here, getting the same treatment. His adult fairy tale concerns poet Rose Elliot who delves into the history of her Manhattan apartment and unearths a link with 'The Three Mothers', a coven of witches. When Rose disappears, her brother Mark investigates, with chilling consequences. Tonally similar to *Suspiria*, it's also packed with prime-era Argento set pieces, and the restored, uncut version looks superbly eerie on Blu-ray. Horror expert Alan Jones contributes a booklet to the package – with poster and postcards – while the special features are generous and include Mark Kermode's ace documentary about Argento. *Inferno* is still a towering achievement.

★★★★★

Arrow Video have kindly given us 3 Blu-rays and 2 DVDs of Inferno as prizes. To be in it to win it, email 'I'm burning up' to *clubint@paulraymond.com* or write to the *Club* address.

TWELVE
(CHELSEA FILMS, £12.99)

Leonard Karlsson (Jeremy Fitzgerald) is released from prison after serving five years for child abuse. Beaten by fellow inmates, he's facially disfigured, wears a mask and decides to take revenge on the jury members who convicted him. *Twelve* comes heavily recommended by horror aficionados, a movie that harks back to the likes of *Friday the 13th* and *Halloween* – not the lesser remakes – with haunting scenes that earned it the Best Film award at the 2009 International Horror and Sci-Fi Film Festival. Genuinely unsettling, it's a minor genre classic.

★★★★

CSI: NY
(MOMENTUM PICTURES, £44.99)

The *CSI* juggernaut rumbles on, with the NY iteration already up to season 6 and perhaps becoming better viewing than the original, now that William Petersen is never in Vegas any more. Gary Sinise is a steady pair of hands as lead CSI Mac Taylor, with sidekick Stella Bonasera (Melina Kanakaredes) in tow. CSI nerds will love the crossover episode that sees the teams from Vegas, NY and Miami combining their forces. Next up: CSI Croydon.

Not just for propping up wonky tables...

Dawn of the Dead / Day of the Dead
(Arrow Video, £19.99 each)

With so many zombie movies stinking up the screen these days, it's well worth reminding yourself what a good one looks like. Or two. A night in with the top quality Arrow Video re-releases of these two George A. Romero landmarks is time well spent, and a glimpse at what so many imitators are attempting to ape. The 4 disc *Dawn*... boasts 3 different cuts of the movie, plus a ton of special features including commentary from Romero and Tom Savini, documentaries and deleted scenes. *Day*... has two discs and more of the same good stuff. Great, gory fun.

★★★★★

Rec 2
(E1 Entertainment. DVD £17.99, Blu-ray £22.99)

Let's be clear: Balaguero and Plaza's sequel to 2007's Spanish horror cracker *Rec* is nowhere near as good as the original. But then, the original was, ahem, original, whereas familiarity undercuts this sequel somewhat. But that's not to say it's still not excellent, the film starting moments after the events of the first ended, a SWAT team entering the apartment block to battle the evil within. Jumps, shocks and actual terror come as standard. Lights out...

★★★★

Big Tits Zombie 3D
(Terracotta Distribution £14.99)

There is a plot to this movie, but to describe it will be a waste of the energy it takes for me to type it out. Instead, just be reassured that the movie has zombies with big tits, both in 2D and 3D, Japanese porn stars, wildly out-of-order comedy, chainsaws, nudity galore and, this being Japan and what-have-you, zombie sushi. In other words, the ideal double-bill companion for *The Remains Of The Day*.

★★★

Viz – Das Krapital
(Dennis Books, £13.99)

It's been some 3 years since the last instalment of *Viz*'s priceless *Roger's Profanisaurus*, but their lewd lexicographers haven't been resting on their laurels. No, every issue of the still funny comic is packed with the latest joyous filthy turns of phrase, and there are hundreds of new ones packed into the 624 pages here. Crackers include the rectal revolt that is the 'Backbench Rebellion' or the classy alternative to piss flaps we shall now be calling 'passion flaps'. A Pulitzer prize winner, or the world is wrong.

★★★★

ABC Warriors The Volgan War Vol. 3
- Pat Mills & Clint Langley (2000 AD, £14.99)

It's a few years since we picked up a copy of *2000 AD*, Britain's classic sci-fi comic, so weren't really aware that the ABC Warriors, whose adventures we'd enjoyed in the early 80's, were back in business. Written by Pat Mills and with some brilliant digital art by Clint Langley, these vibrant adventures brings us up to date with the antics of Joe Pineapples, Hammerstein, Mek-Quake and rest of the gang in a dark but vividly depicted story. Death to the Volgans! Now bring back Mean Arena!

★★★★

Moto GP The Illustrated History – Michael Scott
(Carlton Books, £25)

MotoGP – officially ten times more interesting and exhilarating than Formula 1, ta – is given the lavish treatment by Michael Scott (no, not the one from the US version of *The Office*) in this coffee table cracker. Over 200 photos vie for your attention, while there are meaty interviews with Valentino Rossi and Casey Stoner, as well as past legends like Giacomo Agostini. Scott is a veteran MotoGP writer, and sheds light on the careers of Barry Sheene and Kenny Roberts, technological advances, notable incidents and just what it's like to overtake at top speed.

The place to be for the world's dirtiest backdoor sex stories. Just think sphinc...

BUM SEX, LIES & VIDEOTAPE!

When Suzy, my girlfriend, first suggested the idea of watching me fucking another girl, I thought one word: 'Trap'. Obviously, I was excited about the idea of having sex with another woman and although the idea soon became a central theme of our shared sexual fantasies, I never thought that it would actually happen. Our sex life had been on the wane. However, suddenly, we were making passionate love every night.

She was hornier than I'd ever seen her and it all revolved around this fantasy of me doing the dirty with another woman. When I was playing with Suzy, she kept asking what I would do to 'her' and she was telling me what she wanted to watch me do, "I want to watch your cock disappear into her cunt over and over again." I'd never heard her use the 'C' word before. Suddenly, the dirtier the language and the more detailed the fantasy, the more intense the sex.

Then, one night, she blurted out a name, 'Lucy', and I realised that the fantasies that she was having weren't general but very, very specific. Lucy was my ex and the idea that Suzy was fantasising about me having sex with her was astonishing. After another round of breathless sex, I quizzed Suzy and she admitted the whole thing. Suzy had recently bumped into Lucy again and they both realised that all the mucky stories that Lucy used to tell about her 'University boyfriend' were actually about me.

"I know what you used to do to her," she said sternly, "sometimes she could barely sit down, poor girl." I thought back to those marathon sex weekends when Lucy and I got together and fucked until we were sore. Sometimes, Lucy got sore before she was fully satisfied and she made me fuck her in the arse. I couldn't help smiling, "It's nothing to be proud of," Suzy admonished.

"She liked it!" I exclaimed.

"I know," Suzy said and the way she said it made me worry, until she broke into a smirk, "I've seen the evidence."

"What do you mean?"

"This," she said digging out what I recognised as my original digital camera. In a time before I had a computer, Lucy had insisted that it'd be fun to film ourselves 'at it'. Without anything to plug the camera into, we had to watch the footage on the crappy little screen. To be honest, I'd forgotten all about it. However, with the advance in technology I was soon treated to a blast from my past as grainy and slightly wobbly footage showed Lucy stripping naked 'for the camera' on our television.

In the next clip, Lucy was lying back on the bed waiting to be fucked. "Make sure you get it going into me," Lucy could be heard saying in the footage; "I want to watch your cock disappear into my cunt over and over again." Suddenly I realised that Suzy must have watched this weeks ago.

"She's got a great body," Suzy commented and suddenly I felt my cock twitching again, despite having only just finished, "I love the way her pussy lips grip your cock." Her hand slipped around my meat and my fingers found Suzy's gash just as the picture started jumping with my heavy pounding of Lucy's tight twat. I was shocked to be watching this with my girlfriend who was transfixed as she thrust her hungry pussy into my fingers. All of a sudden, the film stopped.

"Shame there isn't any more," she said.

"There might be," I said remembering the

expense of buying the memory cards whilst I was totally broke, "the other cards used to be in the lid of the camera case."

Suzy wriggled out of bed and I heard her zip the internal pocket of the case. She turned with a huge grin on her face and two more cards in her hands. The next card went in and she bounced back into bed and we slipped back into an embrace.

"Oh my God," Suzy exclaimed as the next scene came to life. Lucy was on her hands and knees and the dodgy camerawork couldn't detract from her perfect bum, "That is a great arse!" My cock appeared onscreen and slipped into her pussy. Suzy was trembling with sexual excitement as I played with her pussy and she released a gasp of held-breath.

"God, I thought you were going to stick it up her arse then." No sooner had she said the words than Lucy demanded that very thing from all those years ago. Suzy's eyes were glued to the screen as I pulled my cock out of Lucy's pussy and pressed into her puckered little arsehole. I remembered it being clumsy and awkward, especially trying to push it in with one hand working the camera, however my cock suddenly shortened dramatically on screen as it sank into Lucy's arse.

I remembered how good it felt and immediately felt the tightness in my groin release as my climax arrived. As my cum sprayed out across her belly, Suzy immediately let out an enormous sigh as her body erupted into orgasm next to me. Her bum lifted fully off the bed as she arched in ecstasy. Eventually the white hot fire of sexual release burnt down into a sweaty cuddle.

"Where did you find that?" I asked, thinking she'd been tidying in the roof-space or somewhere equally obscure.

"I didn't find it, Lucy gave it to me."

"What? When?"

"A few weeks ago. I admitted that my sex drive was going off the boil and Lucy mentioned the videos that she'd kept of you and her. I couldn't believe that I dared to ask to borrow them."

"Well I'm glad you did."

"There's just one thing: She wants to make a sequel... if you fancy it."

Ian, Lincoln

A PIZZA THE ACTION!

My pal Dana is a right dirty cow, always telling me about the cocks she's sucked and fucked. One night recently I was at her place for a sleepover, and she told me she was going through a dry patch.

I didn't believe that her fanny was ever anything less than sloppy, but she said she was so dick-deprived right now, she'd probably fuck the bloke who delivered the pizza we'd ordered. I dared her to try and pull him, knowing she wouldn't refuse.

I stood by to watch the fun as she flirted, then I saw the fella – in his 20s and pretty fit – look right at me and ask if fucking me was part of the deal. Well, I wasn't going to refuse either! We gave him a bit of a lezzie show – no problem, as we've often played around before. Just the sight of Dana's hand snaking down inside of my knickers got his eyes bugging out. Then she beckoned him over and put his hand inside of hers while I began to rub his dick.

"So, do either of you take it in the arse?" he groaned. Not subtle, but what did he have to lose by asking?

"Yes, we both do!" said Dana.

I got some lube from her bedside table, and began smearing big globs of it around her bumhole. I slid a couple of fingers inside, then splayed her cheeks as wide as I could. His knob was rock hard as I lubed it up and positioned it at Dana's opening. I felt her push back, then her arse relaxed and he slipped in, balls-deep.

"His knob was rock hard as I lubed it up and positioned it at Dana's opening..."

"Let me see your arse too," he moaned. He was greedy, but I liked it! I straddled Dana, bending forward so my arse was in his face. Now he dripped lube down my crack and began to finger me. He probed harder as I frigged my clit, Dana moaning below me as his prick ploughed her arsehole. She was reaching back to fiddle with her clit, and I knew from the noises she was making that she was close.

I focused on my clit and arse, then just let go as she did, so the guy had the two of us screaming as our bumholes rippled simultaneously around his dick and his fingers. That did it for him as well, and he blasted the contents of his nuts deep inside of Dana's bum. He had to head back to work soon after, but he paused long enough to watch the two of us lock legs. And as we bumped and mashed our twats together, whipping up our juices, he watched his jizz ooze out of Dana's arsehole… Oh, and the pizza was free too!

SCRUFF JUSTICE!

It's a hard job reviewing tug flicks, but someone's gotta do it...

RATINGS: ★ GUTS ★★ NUTS ★★★ RUTS ★★★★ BUTTS ★★★★★ SLUTS

THAT'S MY GIRL (DIGITAL PLAYGROUND)

With Jesse Jane and Riley Steele gracing the cover and the action, this is some pretty-looking porn. Happily, it gets rude too, Manuel Ferrara hoses down Jesse with a huge load in the opening threesome, while Brandy Talore optimises her massive jugs in her scene with Mr. Pete. The pretty Juliette Bardot drains Charles Dera while Yurizan watches and plays with her tits. It's just a shame she doesn't get in on the action. Riley brings up the rear in a film that doesn't do anything new, but will waste a load or two. ★★★★

THE PERVACIOUS MIND OF ANGEL LONG (TELEVISION X)

Let's be clear about this. *Club* regards Angel Long as the finest British porn star ever. Yup, ever. While many of her contemporaries have hung up their fannies, she's still taking big 'uns in the wrong 'un and loving every minute of it. Here she takes it in the bum, the mouth, the fanny and some other holes we've yet to identify. The other Brit babes – Keisha, Kerry and so on – are just so many more reasons to wank yourself silly. Good old Angel – long may she reign. ★★★★★

THE WARDEN'S DAUGHTER (ADAM & EVE)

Kayden Kross looks lovely in this vehicle for the A & E contract girl,and the sex is rawer than you might imagine, what with Otto Bauer being in charge. But what you also get, what with Otto Bauer being in charge, is his stupid waspy tattoo and nasty cock, in a DP of his missus Audrey that seems a touch out of place in this kind of movie. Still, star Kayden and Alexis Texas provide the high-end tail, even if the jail story is beyond hackneyed. ★★★

WEAR IT'S AT... CLOBBER!

WRITING: DAN GREENPEACE (twitter.com/dangreenpeace)

What to wear, when to wear it, where to wear it. *Club*'s man in the know shares the very latest menswear tips...

Welcome back to the column that has the editor of *GQ* quite literally not shaking in his boots. That's right, it's Clobber time and sexy Sasha's sporting the perfect garm for these autumnal months, the J+ Zip Bomber. This leads me nicely into what I think has been one of the high street fashion highlights for 09/10. Uniqlo, the affordable Japanese chain which only recently reached the UK's shores, enlisted German designer Jil Sander to curate a range of men's and women's basics. Every season she rises to the challenge with perfection bringing casual, smart through to business looks, all within most peoples budget. Don't get me wrong, Uniqlo's basics have always been fantastic quality and value, they even recently collaborated with Domino Records for a limited edition T-shirt range, which was a nice touch, but J+ puts all other chains to shame for innovation, quality and price. Most items come up a little bit small – well it is a Japanese company – so always go one size up and there are bargains aplenty if you wait for the initial frenzy when a J+ collection first drops. (J Zip Bomber £49.99 *www.uniqlo.co.uk*)

Cool French denim brand A.P.C. has never been limited to just jeans, but was scarcely available in the UK until recently when they opened a London store and also made their collections available on line. The fashion conscious would know that one of the only places to buy the brand before that was at select outlets of Urban Outfitters where the key

CLOBBER!

was definitely waiting for the sale to snap up the bargains. If you're feeling flush, then take a trip to their new Dover Street location in London's West End where a decent shirt, jeans and shoes will not entirely break the bank but the key is still to wait until sale time, especially online where you can snap up serious bargains if you're quick. Don't be put off by the French domain name – prices and quick delivery make it worth a visit. I picked out this T-shirt from their recent collection because it had a slightly rude word on the front. I like Rock music so yes, that's pretty much the only reason. ('Rock Sucks' tee by A.P.C. £35.00 *www.apc.fr*)

In other news this month, clean looking black suits with a slim black tie are in fashion thanks to style icon Kanye West who was recently snapped on a world promotional tour which could well have been a tour of funeral homes. Nevertheless, he makes the look work but be careful, most of us would just look like a pallbearer so wear it only if you ooze confidence, or work in a funeral home.

After Adidas' recent collaboration with LucasFilm for their series of *Star Wars* inspired shoes and clothing, Adidas are about to release a new collaboration to celebrate the release of *TRON: Legacy*. Keep those on ice though, give it 20 years and they'll look great when we're all flying around with jet packs. If I'm being cynical, all this capitalizing on the latest cinematic event can be a tad hollow, I prefer it when sports brands stick to the basics. But if you're going to do it then make a legendary viral video to accompany the collection, just search 'Star Wars Adidas' in Youtube for their legendary recreation of the 'Cantina Scene' featuring Snoop Dogg and David Beckham. ♣

CRACK TO THE FUTURE

WE GO BACK IN TIME TO CHECK OUT CLASSIC CLUBS AND THE GIRLS OF YESTERYEAR. JUST AS SOON AS WE'VE FIXED THE FLUX CAPACITOR...

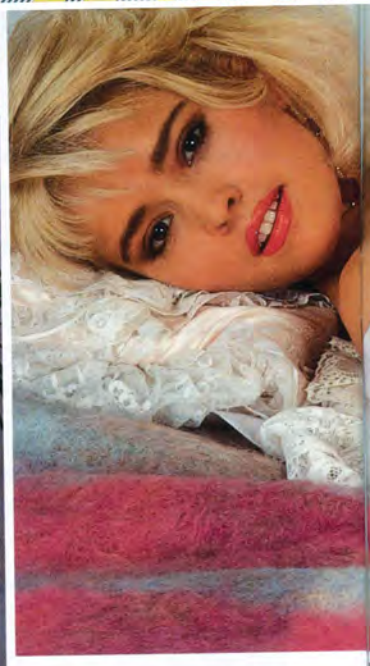
JOANNE



Twenty-one-year-old Joanne hasn't always been the curvy girl you can see here. "I didn't grow any boobs until I was 18," she says. "I was totally flat-chested, so I assumed I'd never have a bust at all. Then suddenly these lovely boobs sprouted in what seemed like days. I haven't stopped playing with them since!

"The funny thing is that they became more sensitive as they grew. They really didn't do anything for me when I was younger, but now I only have to run my fingers over my nipples and I'm turned on. I do play with myself a lot — what girl doesn't? — but now I find I don't have enough

Photographs by Jack Harrison

1 BE MY GUEST

1992, and Jo Guest isn't yet a household name. If she was, she might have had the clout to have a word with the snapper about the make-up and hair. Still, she's looking magic and does that thing she does with her bum going high up in the air. Not higher than her head, though. That was still to come.

2 JUICY LUCY

By now, Lucy here had been *Club*'s girl of the year, but wasn't yet the legendary regular girl she'd become. She clearly wasn't a Brit, and had us scurrying to the dodgy shops to buy Yank mags to find out if she ever did any hardcore. We're still gutted to this day that the foxy little firebox never did.

3 KIM'S QUIM

Kim's name doesn't come all up that often in a discussion of *Club*'s best-ever regular babes, but we reckon her subtle allure is ripe for re-appraisal. Shot beautifully by the legendary Joanie Allum, she was a true English rose. Albeit one prepared to get her growler out at a moment's notice.

4 TAKE HART

Club has always been happy to receive etchings in the post, and we've always had a steady influx of amatuer art. Very amateur art. Still, we're sure the readers who contributed the efforts in this issue were pleased to see their work in print, even if it was accompanied by some chippy writer having a pop. Anyone fancy having a crack at our Sasha? Her bush is screaming out for some brush. ♣

GALLERY

Just when we thought it was safe to open the post, what do we find? Another poison pencil letter. This time it was a deeply ropy sketch of Lynette from Vol 21 No 3 (right), drawn by Mark from Milton Keynes. Mark describes himself as a post-impressionist (his impersonation of a first class stamp is uncanny). Clearly, though, he has a terrible grudge against Lynette. How else can you explain giving her flat size 10 feet and a triangular left buttock?

M Cooper of Chorley's effort isn't much better but at least he can afford crayons — well, at least two anyway. Rather wisely he doesn't say who this is meant to be but if you know a girl with one orange tit, then we guess that would be her. No wonder she turned her back on him.

If there are any other aspiring pencil-squeezers out there who have just learned to use a fat felt-tip with one hand, and want to show off their anatomical ignorance, don't hesitate to send us your work. Post them to *The Gallery* at the usual address, and please remember to mark your envelope "I'm so desperate to get into print I don't mind you insulting my work in front of thousands of people." ♣

UNDRESS CODE!♣

Barbie & Jo are power undressers...

With their lovely floral dresses, it looks as if Jo and Barbie are all set for a night on the tiles. Nope. Turns out they've got dressed up just to get undressed again, which seems a bit stupid to us, right up until the moment they start sucking on each other's boobs and everything just seems so damn right with the world.

Barbie – that's the blonde one, unsurprisingly – has got a taste for twat tonight, and she dives right between Jo's legs, tongue first. Jo? She just lies there and takes it, as you would if Barbie was lapping away at your nethers.

Of course, she gets to have a go too, and soon it's all sucking and slurping and sliding off each other with all the slick juice they're gushing. In fact, it's all so bloody sexy that they crease up those lovely dresses. Anyone know a dry cleaners? ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

Lard-Ass Lorelei Lures Fans Onto Their Own Rocks

Whereas most people think that being morbidly obese is a bad thing – both unsightly and dangerous – a group of super-fatties are raking in the dosh online by eroticising the process of massive weight gains.

Personal and commercial websites are making mucky media stars out of giant-bellied 'gainers' such as New Jersey native Donna Simpson, who began offering pay-per-view videos of herself to an audience of horny 'feeders'.

In the final analysis, however, as one US medical school professor described the fat-gain groupies rather ominously: 'The fetish may be in their heads, but the plaque is going to be in their arteries.'

Don't fancy yours much.

Compulsive Liar Bids For Senate Seat

For many years Republican Mark Kirk of Illinois, currently vying for the US Senate seat once held by Barack Obama, has been boasting about his '21 years of military service' and talking it up as qualification for office. But lately his awesome tales of his high powered naval career and daring have begun to unravel, following several contradictory facts about his record being pointed out to him by reporters.

Under pressure from the media, he was obliged to confess that, contrary to his numerous public statements, he was not actually 'in' the Iraq Desert Storm war, did not actually 'command the Pentagon War Room' when assigned there as a Navy Reservist, and was not actually once Naval 'Intelligence Officer of the Year.'

When asked why he told these falsehoods, Kirk responded lamely: 'I simply misremembered stuff wrong.' We're sure you'll make a great politician, Mark.

Pull the other one, Marky Boy!

Little Latin Girl Helps Pornhound Beat Off Judge

Carlos Simon-Timmerman turned a whiter shade of pale when, returning from a holiday in Mexico, he was arrested by U.S. border agents in Puerto Rico with an 'underage-sex' video in this luggage. The pretty star of *Little Lupe the Innocent* looked a whole lot too young, and federal prosecutors consulted with an 'expert witness' paediatrician, who assured a jury, that, based on the girl's physical underdevelopment, she was definitely a minor.

Happily for the accused, however, Simon-Timmerman's lawyer had located Little Lupe via her website, and she agreed (possibly for a fee) to fly to the States from her home in Spain with her passport and other documents to prove, at a dramatic point in the trial, that she was 19 years old when the video was made.

Suitcase's you sir!

"Hey wow. You're right. I should be dead, man..."

The first question that most doctors have concerning hard-rock singer and reality-TV star Ozzy Osbourne is 'How the fuck can he possibly still be alive?'

And now a number of curious medicos have assembled to put Ozzy, who claims he is now 'clean and sober' after a lifetime of almost unimaginably bad habits, through the three-month process of genetic mapping in hopes of understanding why he isn't pushing up daisies. In the meantime Ozzy has become a 'health advice' columnist for the *Sunday Times*.

The now-cholesterol-conscious vegetarian says he seems to remember drinking at least four bottles of cognac a day, smoking cigars as though they were ciggies, took 42 prescribed medications, and poured any number of 'backstage' drugs that he could not even identify down his neck. ♣

Criminals Who Don't Think Things Through

Petty criminal Steven Kyle swiped around $75,000 worth of shiny trinkets from Cline Custom Jewellers in Edmonds, Washington, only to collapse soon after employees and pedestrians started to chase him with cries of 'Stop thief!' It was later revealed by police later revealed that Kyle has only one lung.

In the same week, the equally foolish Carlos Medina-Bailon, an inmate of an El Paso, Texas, detention facility, who was about to stand trial on drug-trafficking charges, attempted to escape by secreting himself in the jail's rubbish-collection system. His body was found later the same day under mounds of assorted crap in a landfill.
